

Volunteer Opportunities

Facility Work: As a school following an extended 221 day school year, our building is surely well loved. You can volunteer your time to paint spaces, clean and organize rooms or supplies within the school. You can also direct your efforts to cleaning up our grounds, beautifying our landscaping or helping with the upkeep of our playground. These efforts would require a minimum time commitment of 2.5 hours and RCS asks that the group considers providing the supplies and tools necessary to complete the project.

Administrative Support: This would include making phone calls, assembling mailings, creating information packets, counting and organizing supplies, etc. Your time will allow our staff to continue to direct 100% of their attention to our students. These efforts would require a minimum time commitment of 1 hour.

Special Events: Each year, RCS holds numerous fundraising events to directly benefit the organization. We are always looking for volunteers to assist in the organization and facilitation of these events, whether it be handing out popcorn or selling raffle tickets the day of or helping RCS plan, organize and pack prior to the event.

Do you have a unique skill or talent you think would benefit RCS Learning Center? We are always looking for volunteers that can put their skills to work to benefit RCS. Here are some ideas of skills that would benefit RCS: marketing/communications, social media, writing, event planning, research, etc.

If you are interested in learning more or scheduling a volunteer event, please contact Chrissy King at 508-650-5940 or cking@rcslearning.org.

Thank you for your support!
